

**1st ANNUAL
Marine City-City Wide
Beautification Day
Saturday, May 31st, 2008**

Let's "BEAUTIFY" Marine City!!

We're going to have 50 hanging baskets and 50 barrels full of gorgeous flowers all around town.

We'd like to invite all Business Owners & Residents to join in on the effort and add some flowers to your store front or home!

We're also looking for volunteers to come out and help us as we do the planting for Drake Park. Meet there at 9:00 a.m. (across from the Post Office)

**Sponsored by the MC Arts Garden Club
